Dear Parents and Carers,

The school looked very different today, with almost everyone dressed in red for **Remembrance**. The year 6 children led the school with a moving and thoughtful service. Six of the children read the poems they have been writing this week in their English lessons where they have been studying a variety of war poems: The Charge of the Light Brigade, Soldier and In Flanders Fields. Thank you to our year 6 children who have been busy selling poppies and items on behalf of the Royal British Legion. Finally a special mention to Mrs Bristow for the lovely Remembrance Display in the school hall.

Our year 6 pupils represented the school in a **basketball competition** as part of the mini youth games series. They had a very long and intense day, playing in several matches. They won 5 of their 8 games drawing 2 and losing 1 and came an impressive 6th, which was a great result. All the children played brilliantly as a team using each others strengths. One of the highlights for them was meeting **Ryan Reynolds** from the NBA standing an impressive **6'11"** he spoke to all the team giving them great encouragement. Thank you to Mr Peters for his hard work in preparing the team and looking after them and encouraging them throughout the event. Overall we were placed 6th out of 27 schools.

Mr & Mrs Hewitt took Finley and Jarin to a Lego exhibition where the boys showed their talent on constructing and assembling models using coding. After the exhibition we were the proud winners of three Lego Steam sets for our children to use in school.

On Monday the children will be encouraged to come to school wearing Odd Socks to celebrate being different. This marks the start of the national Anti-Bullying Week. As a school we name it friendship week; promoting friendships and kindness as part of this week. We also remind the children about using the worry boxes in their classroom and remind them who they can talk to should they have any friendship issues or worries.

Our annual **Fireworks Display** is to take place next Friday 17th November. We are all hoping for a clear sky and dry weather! The village hall car park will be out of use as there is a function taking place there during the evening. Please be mindful where you park; or walk if you can. The entrance to the fireworks will be via the bottom gate on The Street. There will be sweets, hot dogs, hot and cold drinks and light up toys for sale during the evening. Gates open at 5.45 and the fireworks will start at approx. 7pm. Please make sure you bring a torch as it will be dark on the playground! Thank you for supporting us with this.

Please note that our **Advent Event, will be taking place on Friday 1st December**, parents, grandparents, aunts and uncles are welcome to join us from approx. 2.00 on the playground where we will sing carols and hang decorations on the Christmas tree. **Decorations will be on sale on the playground on Tuesday and Friday's after school at the price of 50p each.** Ms Barton has also decided to include entry to a competition for an extra 10p per decoration. The finished decorations will need to be handed in to class teachers by 29th November to be able to enter the competition. Your child will need to colour in their decoration (we suggest felt tip pen and then sealing the decoration with clear nail varnish). We will hand the decorations back to the children for the advent event. They can hang them on the school Christmas Tree. Please make sure your child has written their name on the back of their decoration. After the advent event the FOBS team will be running a small Christmas fete in the school hall. Children will be able to attend with parents, grandparents etc once they have returned to the classroom and collected their belongings.

Your child should have come home with a letter regarding the pantomime, which the whole school will be attending. We will be leaving at approx. 12pm and returning at 4pm. The children will need to have a packed lunch before we leave for the pantomime. All infant and free school meals children will be provided with a packed lunch. Junior children may also order a school packed lunch. They will be able to bring a drink and packet of sweets to eat during the performance.

The build up to Christmas is always such a busy time in schools; we are carrying on with our learning whilst practising for plays, we also have Christmas discos and parties. To try to help you with this busy time I have tried to outline what is happening and the expectations for each event which will be taking place during this term.
